OFFICE SEATING

HERO-2-F/F

HERO-1-M/F

HERO-2-M/F

Hero

A chair that takes on a leading but unobtrusive main role in the office interior. Hero is always the perfect chair for everybody. Using its unique autofit mechanism, Hero automatically adjusts, aligns, and regulates its weight to best suit each sitting individual. From athletically hard to relaxingly soft, Hero caters to everyone's personal taste.

Hero

Autofit Mechanism

Automatic weight regulation adjusts the flexibility of the seat and backrest to the individual body weight
